INDEPENDENT AUDITOR'S REPORT

Board of Directors
Louisiana Foundation Against Sexual Assault, Inc.

We have audited the accompanying statement of financial position of Louisiana Foundation Against Sexual Assault, Inc. (a non-profit corporation) as of June 30, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Corporation's 2009 financial statements, and in our report dated November 11, 2009, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Foundation Against Sexual Assault, Inc. as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated November 11, 2010, on our consideration of Louisiana Foundation Against Sexual Assault, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of the Louisiana Foundation Against Sexual Assault, Inc. taken as a whole. The supplemental schedules listed in the table of contents are presented for the purposes of additional analysis and are not a required part of the basic financial statements of the Corporation. The accompanying schedule of expenditures of federal awards is required by the U. S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations and is also not a required part of the basic financial statements of the Corporation." Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

June 30, 2010

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the corporation's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Nature of Activities

Louisiana Foundation Against Sexual Assault, Inc. is a nonprofit corporation dedicated to eliminating sexual violence, and to easing the suffering of and facilitating the recovery of victims of sexual violence.

2. Financial Statement Presentation

The corporation's financial statements are presented in accordance with requirements established by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in FASB ASC 958. Accordingly, the net assets of the corporation are reported in each of the following classes: (a) unrestricted net assets, (b) temporarily restricted net assets, and (c) permanently restricted net assets. There were no permanently restricted net assets.

Net assets of the restricted class are created only by donor-imposed restrictions on their use. All other net assets, including board-designated or appropriated amounts, are legally unrestricted, and are reported as part of the unrestricted class.

3. Revenue Recognition

For financial reporting, the corporation recognizes all contributed support as income in the period received. Contributed support is reported as unrestricted or restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as "net assets released from restrictions".

Grant revenue is earned in accordance with approved contracts.

4. Receivables

The corporation considers accounts receivables to be fully collectible since the balance consists primarily of payments due under government contracts. If amounts due become uncollectible, they will be charged to operations when that determination is made.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

5. Property and Equipment

Louisiana Foundation Against Sexual Assault, Inc. records property acquisitions at cost. Donated assets are recorded at estimated value at the date of donation. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets. There was no depreciation expense for the year ended June 30, 2010.

It is the policy of the corporation to capitalize all property, furniture, and equipment with an acquisition cost in excess of \$5,000.

6. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. Cash Equivalents

For purposes of the statement of cash flows, the corporation considers all demand deposits to be cash equivalents.

8. Fair Values of Financial Instruments

The carrying amount of cash and cash equivalent reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

9. Functional Allocation of Expenses

The expenses of providing programs and other activities have been summarized on a functional basis in Note H to the financial statements. Certain of those expenses have been allocated among the program and supporting services benefited based on estimates by management of the costs involved.

10. Subsequent Events

The subsequent events of the organization were evaluated through the date the financial statements were available to be issued (November 11, 2010).

Louisiana Foundation Against Sexual Assault, Inc. received the majority of its revenue from funds provided through grants administered by the State of Louisiana. The grant amounts are appropriated each year by the federal and state government. At the time of completion of the examination of the corporation's financial statements, management was not aware of any actions taken that would adversely affect the amount of funds the corporation will receive in the next fiscal year.

NOTE J – FAIR VALUES OF FINANCIAL INSTRUMENTS

Statement of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in the FASB ASC 820-10 requires disclosure of the estimated fair value of certain financial instruments and the methods and significant assumptions used to estimate their fair value. Financial instruments within the scope of FASB ASC 820-10 are included in the table below.

		<u>Fair Value Measurement of Reporting Date</u>		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Cash and cash equivalent	\$ 247,951	\$247,951	\$ -	\$ -
Receivables	220,680	220,680	-	-
Accounts payable and accrued liabilities	<u>< 160,679 ></u> <u>\$ 307,952</u>	<u>< 160,679 ></u> <u>\$ 307,952</u>	<u>-</u> <u>\$ -</u>	<u>-</u> <u>\$ -</u>

The assumptions to estimate fair values are as follows:

1. Cash and cash equivalents carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.
2. Receivables and accounts payable and accrued liabilities are carried at amounts that approximate fair value due to their short-term nature and generally negligible credit risk.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Louisiana Foundation Against Sexual Assault, Inc.

We have audited the financial statements of Louisiana Foundation Against Sexual Assault, Inc. as of and for the year ended June 30, 2010, and have issued our report thereon dated November 11, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Louisiana Foundation Against Sexual Assault, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Foundation Against Sexual Assault, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Louisiana Foundation Against Sexual Assault, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Foundation Against Sexual Assault, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance and other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management, Board of Directors, others within the entity, Louisiana Legislative Auditor, the federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors
Louisiana Foundation Against Sexual Assault, Inc.

Compliance

We have audited the compliance of the Louisiana Foundation Against Sexual Assault, Inc. with the types of compliance requirements described in the "OMB Circular A-133 Compliance Supplement" that could have a direct and material effect on each of Louisiana Foundation Against Sexual Assault, Inc.'s major federal programs for the year ended June 30, 2010. Louisiana Foundation Against Sexual Assault, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Louisiana Foundation Against Sexual Assault, Inc.'s management. Our responsibility is to express an opinion on the Louisiana Foundation Against Sexual Assault, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, "Audits of the States, Local Governments, Non-Profit Organizations." Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Louisiana Foundation Against Sexual Assault, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Louisiana Foundation Against Sexual Assault, Inc.'s compliance with those requirements.

In our opinion, Louisiana Foundation Against Sexual Assault, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2010.

Internal Control Over Compliance

Management of Louisiana Foundation Against Sexual Assault, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Louisiana Foundation Against Sexual Assault, Inc.'s internal control over compliance with requirements

that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Louisiana Foundation Against Sexual Assault, Inc.'s internal control over compliance.

A deficiency in internal control exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or combination of deficiencies, in internal control, over compliance, such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, Board of Directors, others within the entity, Louisiana Legislative Auditor, the federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
